

# KEY WORKERS WANTED!

## RECRUITING ENGINEERS & ELECTRICIANS NOW

**JOIN THE BEST - WORK WITH THE BEST - BE THE BEST**

During these difficult & uncertain times, Logic Fire and Security Ltd are recruiting fire alarm engineers & electricians throughout the country to join us as key workers and help us provide a vital service to protect life safety systems.

Join the most accredited Fire and Security company in the UK and help us help others.

We are recruiting for various roles throughout the UK, covering all maintenance and installation disciplines.

We will provide the required training, so you do not need to currently hold extensive fire and security qualifications. If you have the right attitude and willingness to learn then we want you.

PPE & uniform will be provided so you are free to provide the best service, safely.

### **BENEFITS:**

- Company vehicle provided with fuel cards,
- Company mobile phone provided,
- holiday & pension package,
- Comprehensive training programme.
