Excel Environ Co-Location Racks (CL)

excel
without compromise.

 CL

Excel is a world-class premium performance end-to-end infrastructure solution - designed, manufactured, supported and delivered - without compromise.

The Environ CL Series of multicompartment floor standing racks are designed for co-location installations and applications that require enhanced levels of access security. The range is based on the proven and popular ER series chassis and is available with a variety of options and features.

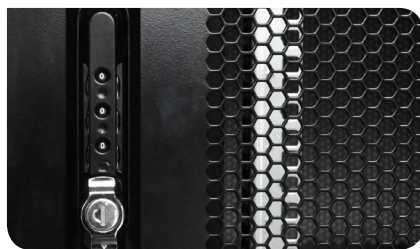

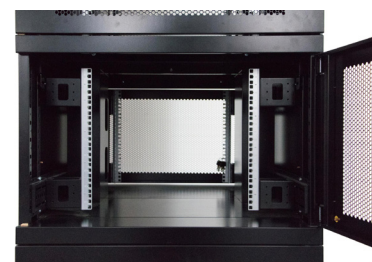

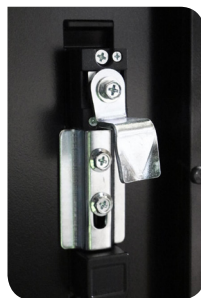

-	**Available in 2 heights: 42U and 47U**
-	**Available in 2 widths: 600mm and 800mm**
-	**Available in 1 depth: 1000mm**
-	**Choice of colours: Grey/White and Black**
-	**Available as either 2 or 4 compartments**
-	**Combination and key lock as standard on front and rear doors**
-	**Full height secure cable routing from top to bottom panels**
-	**Unique keys provided for all side panels**
-	**Cable entry is secure to each compartment**

Each compartment is created by the use of a full depth dividing panel which runs from front to rear of the rack providing secure separation. Within each compartment are front and rear adjustable equipment mounting rails.

Designed with strength, ease of use, security and aesthetics in mind, the CL Series of racks are extremely flexible and easy to install. The Co-Location Series is not available as a flat pack.

A full range of Excel accessories are available to complete cable or equipment installation from shelving through to ventilation and power distribution units.
