Excel Environ Server Racks (SR)

excel
without compromise.

Excel is a world-class premium performance end-to-end infrastructure solution – designed, manufactured, supported and delivered, without compromise.
The Environ SR Series is fitted with a wave vented front door and double vented rear doors. Designed to accommodate a load of up to 1300 kg and available in a range of heights and depths they offer features that make them suitable for a wide range of applications in the data centre and telecommunications arenas.

X SR
