

WORKING FOR

Logic Foundation

Logic Foundation is our way of giving back to the things our employees care about and their local communities & charities.

Logic Foundation is run by yearly-elected employees of the company who want to get involved and the aim is to provide support to local companies and charities which are dear to employees hearts. Things like local football clubs, or community groups. The foundation is fully supported by the company.

Examples of the work Logic Foundation supports:

- Support Local Communities and Charities across the UK
- Be involved in Community and environmental initiatives
- Raise funds for Charitable causes through events both individual and team
- Support employee charitable events
- Help and change our environmental impact
- Any employee can request support for their own community or charity of their choice.

Logic Academy

Logic Academy runs independently from the main company and ensures regular training is completed and all employees have an established full personal development plan and career path.

This ensures that all our staff, whether engineers, admin, sales or management are fully trained to perform their duties and can clearly identify where their future lies.

Different types of training and progression included within Logic Academy includes (but is not limited to!) -

- Apprenticeships
- Career Progression
- Specialist Training
- On-site training
- In-house training with a specialist training room
- External providers
- Full development plans and mentors

Logic Fire and Security are a market leader in the UK fire & security industry. Our offices are located in Knaresborough, North Yorkshire and we have a team of engineers based all around the country.

Our reputation for excellence is built on strong relationships and outstanding customer care.

The companies we work with value our extensive knowledge of fire protection equipment & security systems; our experience of strategic system planning and testing ensures their buildings and business are fully compliant with all the latest regulations.

Working with us gives you peace of mind that you are doing everything possible to protect your people and property.

Current Vacancies

To see the vacancies we currently have available within our team, please visit:

or email your CV to:

recruitment@logicfireandsecurity.com

There is a free carpark at our offices in Knaresborough, or if you are travelling on public transport, there's a bus stop at the top of the road, or the Train & Bus Station are located in the centre of Knaresborough (roughly 15 mins walk).

Office working hours are:

Monday: 8am - 5pm

Tuesday - Thursday: 8am - 4.30pm OR 8.30am - 5pm

Friday: 8am - 3pm

On a Friday we do 'Dress down Friday' (a bit like non-uniform day!) and at 2pm we wind down with prosecco or beer if you would like. After work, we often visit one of the many pubs in Knaresborough to end the working week.
