

# FIRE ALARM SYSTEM

## MONITORING

Logic can monitor your fire alarm system, giving you the earliest notification and enabling the quickest response time.

## WEEKLY TESTS

Logic can perform the weekly tests of your fire alarm system that are legally required.

## COMPLETE PACKAGE

Full design, supply, installation, commissioning and maintenance packages are available.

## WHY CHOOSE LOGIC?

- 🔥 We can **design, supply, install, commission and maintain** your fire system, meaning you only have to deal with one company for all areas of fire detection.
- 🔥 We are **compliant** to the current standards in all aspects of working with fire alarm systems.
- 🔥 We include a **24/7 365 call out service** with all our maintenance contracts.

## DID YOU KNOW?

- 🔥 It is a legal requirement to carry out **two maintenance visits a year** on your fire alarm system.

**GOLD**
